

# The Egyptian Customs Authority

## Announces

**“Advance Cargo Information System (ACI)”**

**Will be applied on all air borne cargo.**

**Pilot phase will start on May 15, 2022**

**And mandatory phase by October 1, 2022**

Egyptian Customs Authority invites all importers, customs brokers, and air freight agents to register on Nafeza through [www.nafeza.gov.eg](http://www.nafeza.gov.eg)

**All air cargo will not be permitted into the country by October 1, 2022 without obtaining an approval through the ACI System.**

In line with the implementation of the provisions of the Egyptian Customs Law No. 207 of 2020 to eliminate the harmful practices of the international trade.

**For yourself and your country... Register with the ACI.**

**Hotline: 15460**
